# Go Forth

Volume 11. Issue 1

January, February 2010

## From the Spiritual Director

- January will bring with it the end of the old year and the beginning of a new one. Amid the concluding days of Christmas (which does, you know, extend to Epiphany, January 6th) and the frenzy of the *Bowl-ing* season (the Sugar, the Rose, the Gator etc. etc. ad nauseum) we begin a new calendar period in God's world. Some will greet the page turn with joy and anticipation, others with resignation and for yet others it will signal no changes at all—life will still plod along at its own pace, with no attention to calendars or conditions. How will you enter the new year and exit the old? Regretfully, joyfully, with confidence, with nervous hesitation? Through it all we can count on the God who sent us, who is with us and who awaits us to be present in grace, mercy and peace. And we can expect the God whom we know best through the life, death and resurrection of Jesus Christ, to call us ever on towards the realization of God's reign (not our ideas of God's reign, but the Reign of God) in our lives and our living. We will all have our own futures, but Jesus calls us to remember that in all times, the Future is God's!
- A peaceful and blessed New Year to all!! **J. J. Bodine**
